CURRENT ROLE

As a native of Richmond, I have strong local ties to the Richmond marketplace. Prior to joining Harrison & Bates, I worked as a firefighter/EMT for a local jurisdiction, as well as provided patient care in several local hospitals. I provide clients with leasing, acquisition, and disposition for office and flex properties. With an extensive background in the healthcare field, I work with medical companies in the market and assist in fulfilling their real estate goals.

My co-workers and clients would best describe me as honest, ethical, and "going the extra mile" to ensure their needs are met. From local start-ups to Fortune 500 companies, I enjoy assisting each client successfully grow their company.

Growing up in Goochland County, I have a strong passion for the outdoors. Outside of work, you can often find me fishing or hunting.
